

1. How is your relationship with God?
2. Where do you need God to come in and transform you at a heart level? Will you ask the Holy Spirit to come work on you? How will you press into God as you seek to be made more like Christ?
3. Who is in your life that is intentional about helping your become more like Christ? Do you need to find people who you can grow spiritually with? If so, which community do you think would be best for you at this point? Do you need to be more intentional with the community you are already a part of ?
4. What is your next step for growing as a disciple of Jesus?

Theology of Discipleship

Thomas Johnson

Philippians 3:10–11 *English Standard Version*

...that I may know him and the power of his resurrection, and may share his sufferings, becoming like him in his death, that by any means possible I may attain the resurrection from the dead.

**Being a Disciple starts with a relationship
with Jesus**

**Being a Disciples is about becoming like
Jesus**

Philippians 3:12–16 *English Standard Version*

Not that I have already obtained this or am already perfect, but I press on to make it my own, because Christ Jesus has made me his own. Brothers, I do not consider that I have made it my own. But one thing I do: forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus. Let those of us who are mature think this way, and if in anything you think otherwise, God will reveal that also to you. Only let us hold true to what we have attained.

Becoming like Jesus is a process

Becoming like Jesus is the work of the Holy Spirit

**Becoming like Jesus happens when we
participate in the process**

Philippians 3:17 *English Standard Version*
**Brothers, join in imitating me, and keep your
eyes on those who walk according to the
example you have in us.**

**Becoming like Jesus happens in
relationship with other people**

Hebrews 10:24–25 *English Standard Version*
And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.

“Holy Solitaries’ is a phrase no more consistent with the gospel than holy adulterers. The gospel of Christ knows of no religion but social; no holiness by social holiness.”
